

Dear Boaters,

A very Happy Easter to all! With service improvements at the top of our list of priorities, one key topic for this month's newsletter is reliable communications with your club. In order to better assist you, a single email contact point has been implemented for all of your Marina needs – be it questions, feedback, or ideas. Also keep your dairies booked for our next rally on the April 16 weekend, as well as a social event at the club house on April 27th.

Last but certainly not least, the Marina team looks forward to welcoming our latest addition to the family in April: West Bay Marina.

Safe Boating – Phil Blake
