

DUBAI MARINA YACHT CLUB NEWS

Dear Boaters,

This new year brings with it lots of good things – around the club you will see new signage, new notice-boards, new boaters cards – each and all symbolic of the teams' determination to continuously improve your experience at the club, both upfront and behind the scenes. Your new DMYC card opens so many more doors than you might think – read on for more details. Pick up the latest Boat Owner Middle East magazine (Jan-Feb) to read an article I wrote that captures the ethos and mission of the Dubai Marina Yacht Club team. And whilst we're speaking of activities, the team looks forward to welcoming you to our first 2011 boat rally on February 18th to Jebil Ali Golf Resort & Spa, an old favourite of ours. Last but not least, for you romantics out there, you may not realize that Valentines @ DMYC will be on February 12th this year for good reason. Treat that special person to dinner on our Aquara terrace – you shan't regret it!

UPCOMING RALLY: JEBEL ALI 18TH FEBRUARY

Save the date: Our first rally of the new year will be to the idyllic Jebil Ali Golf Resort & Spa, 45 minutes away from DMYC by boat. Anchoring off, the club will provide tender services to our very own private beach at the resort. On the beach, expect plenty of fun activities for the active, as well as laid back bean bags and shisha for those wanting to have a relaxing Friday afternoon.

Expected departure time: 12pm.
This was one of our favourites in 2010, with 22 boats joining last year.

WHAT CAN I DO WITH MY NEW DMYC BOATERS' CARD?

Your new boaters' card does so much more than simply open doors. Here are some of the other enticing privileges you will enjoy by showing off your DMYC card (terms & conditions apply):

- **10% off** Food & Beverage (F&B) at all DMYC outlets
- **10% off** F&B at all The Address Hotels, including The Address Montgomerie Dubai Golf Club, as well as The Palace, The Old Town.
- **10% off** F&B at all sister clubs, including Dubai Polo & Equestrian, Arabian Ranches Golf Club and Hayya! Fitness Centres.
- **10% off** Spa Treatments at The Address Hotels - a great one for the ladies!
- **Complimentary** valet at DMYC only.

BOATERS' MENU

Fancy a Club Sandwich & Chips, or a Butter Chicken Curry?

To serve our hungry boaters better, we are bringing some of your favourite 25-55 Bistro dishes to you aboard your yacht. From February 6th, we will provide a more detailed mailer on how to order from the convenience of your boat.

EAST MARINA - CAR PARKING

We are pleased to advise our East Marina boaters that alternate car parking arrangements have been negotiated for valet car-parking at the open air car-park located opposite Spinney's supermarket. A flat fee of 25 dirhams is applicable per day (instead of the public rate of 50 dirhams/day). To avail the special rate, please show your DMYC Boaters Card to the valet.

BOATERS' BBQ - 16TH DECEMBER

A great evening of camaraderie, laughter and fun was had at the annual Dubai Marina Yacht Club Christmas party, held on the north lawn of the clubhouse. Our 160 guests were regaled by saxophonist Will (who, by the way, can also be found every Thursday evening at the club terrace), and the multiple live cooking stations manned by our chefs. As a small thank you for the support of our loyal boaters, the club hosted a lucky dip with the happy winners walking away with Spa treatments at our sister The Address Dubai Marina, boat service packages from the team at Oceanus, and last but certainly not least, a beautiful Pearl Necklace sponsored by Dhamani Jewellers.

UPDATES

Security Gates Activation

The marina pontoon security gates at East Marina, and Clubhouse Marina are now fully activated with the new type of card access system, thus aligning all marinas and car parks into one seamless security system. Please note that commercial arms 'S' & 'T' will remain open during the day, but must be closed to card-access-only after 11:15pm daily. Some final components are being installed over the coming weeks, however, we welcome your feedback and comments in order to further improve our club's security systems.
