

Dear Boaters,

Thanks to our boaters who joined us for the two recent club events: The Boat Maintenance Clinic, and The Mediterranean Yacht Charter Talk. It is wonderful to see such strong support for these workshops, and many new faces joining them. The team welcomes your ideas for future workshops and events that you would like to see organised at the club. Coming up in late May is the one-of-a-kind *Sir Bu Na'air* Island rally, to witness the spectacular start to the Al Gaffal Dhow Race.

**UPCOMING RALLY: SIR BU NA'AIR ISLAND
MAY 27TH - 28TH**

In the last weekend of May, DMYC will run its second rally to this natural island 50nm offshore in order to explore the waters of Sir Bu Na'air, and to watch the early morning start of the famous dhow race. On the second day, we will stop by Moon Island for a swim and lunch, on the return leg back to Dubai.

Cruising Note: Sir Bu Na'air Island is a large, tear-drop shaped island with a limited dredged harbour on its SE shore. Whilst we are not permitted to land on the island due to its military status, the azure waters off the island abound in fish and offer opportunities for diving and snorkelling. Relatively straightforward in navigational terms, as it is 50nm from Dubai we recommend that all vessels intending to join have a thorough maintenance check-up and also ensure that all requisite safety equipment is checked and updated.

UPCOMING WORKSHOP: BASIC NAVIGATION & CHART WORK SATURDAY JUNE 4TH

Repeating the popular workshop of last year, Marine Concept Sea School will conduct this morning navigation clinic in DMYC's Chart Lounge. Designed as a precursor to the UAQ rally to be run the following weekend, this workshop will focus on the basics of chart work and navigation, including buoyage, rules of the road, and seamanship concepts.

UPCOMING RALLY: UMM AL QU'WAIN RALLY - JUNE 10 & 11

With persistence comes awards! With a strong desire to see this inaugural rally take off before summer fully kicks in, please book your calendars for these two days.

POST EVENT: BOAT MAINTENANCE WORKSHOP

The ever affable Gus Corlett of The Boat House offered the 35 participants attending some useful tips and tricks on looking after boats and their engines in this informative clinic. Broken up over the course of the morning and after lunch (with DMYC's chefs offering yummy bites), the workshop provided an ideal opportunity for catch-ups and to meet new friends.

POST EVENT: YACHT CHARTER IN THE MEDITERRANEAN

Philippe Saad and Jane Daley discussed the various options for chartering yachts in the Mediterranean in this evening talk on the subject in DMYC's chart lounge. Those attending also contributed their own experiences of chartering yachts in various parts of the World, and the joys and pitfalls of yacht charter.

NEW SHOP

We are very pleased to welcome Macky Marine to the DMYC tenant family. Representing the Formula and Monterey powerboat brands, Chris Macky is a respected veteran in the UAE marine industry offering both new and brokerage boats for sale. Welcome Chris and Allison!
