

Dear Boaters,

Another edition of the Dubai Boat Show has come to a close, with significant challenges remaining for the U.A.E marine industry. However, there remains the reliably bright centre of events and rallies run by the team at Dubai Marina Yacht Club exclusively for our yacht owners. February saw us visit Jebel Ali, in April, we intend to visit Umm al Quwain. At the club

2011 got off to a terrific start with 25 yachts joining for the first rally of the year to the idyllic Jebel Ali Golf Resort & Spa bay. Relatively rough seas were no challenge for the cruising club, with boats ranging from 20 feet right up to the Azimut 75' m/y 'Comfortably Numb' forging the short eight miles to JAGRS smoothly. Once anchored, our fleet was buzzed by a sea plane taking off through the anchored yachts, with the tender service provided by Gemini and Oceanus shuttling eager crews to the beach for lunch, beach volleyball & games, and shisha.

don't forget you can now get an authentic English Breakfast, or a proper BLT in 25°55°Bistro, together with Chef Thushan's delicious Curries of Asia. Or, if you're enjoying a lazy afternoon aboard the yacht in the marina, why not order from our Boaters' Menu, delivered directly to your berth. Enjoy!

Safe Boating - Phil Blake

Cruising Note: JAGRS is an ideal day destination for a short cruise southwards from home base. Less than eight nautical miles away from DMYC, the resort has a large sheltered bay that is ideal for anchoring in approximately eight metres of water. The marina there has a fuel station, however we advise that if you wish to visit overnight first get in touch with the marina's management. Stay well to seaward of the reclamation projects off Jebel Ali Port.

NEXT RALLY ANNOUNCEMENT: UMM AL QWAIN, 1ST AND 2ND APRIL

The team is in the midst of planning our next rally to the Emirate of Umm al Quwain. This will likely be a two day rally, anchoring overnight off the UAQ Marine Club. We will pass the historical fishing village, as well as explore the mangroves that the area is renowned for, with rich diversity of marine and bird life. This will be the first time the Cruising Club has visited UAQ.

BOATERS' DELIVERY MENU

Steak sandwiches, BLATs (bacon, lettuce, avocado and tomato) and more can be ordered from the Boaters' delivery menu. Call 04 362 7955 to order to your berth.

NEW SECURITY TEAM AT DMYC

You may have noticed some new friendly faces around the club – DMYC has appointed CERTIS as our new security provider. Each of the new security team has been interviewed for their customer service ability, as well as knowledge of security aspects. The team can be identified by their navy blue polo shirts and friendly greetings.

MALL MARINA PARTIAL OPENING

To cater for continued strong demand for berths, DMYC has partially opened dock 'N' at Mall Marina (which offers an additional 32 berths to DMYC's berthing portfolio, increasing total berths to 492 berths), located directly below our sister property, The Address Hotel. Utilities are envisaged to come on-line at Mall Marina in Q3.
