

**Dear Boaters,**

With another tremendously successful rally to Yas Island under our belts, the DMYC cruising club as it is becoming known, has now reached five destinations, touched three different Emirates, and safely conducted its furthest rally yet: 160 nautical miles round trip. Lock into your dairies November 26th for the next one-day rally to Moon Island, a destination many a boater has yet to have visited. Things are also happening ashore - the club will shortly be commissioning new security gate systems, giving our boaters at East Marina greater piece of mind. Also, the team are working on organising evening talks with interesting parties, so do stay tuned. The weather is turning!

**NEXT RALLY: MOON ISLAND, NOVEMBER 26**

Moon Island was briefly visited on a previous rally - it is a large sand island 29 nautical miles NW-W out to sea from DMYC. Due to its relatively short distance away, we will visit the island for one day, with our chef's team providing a mid-afternoon BBQ on the island. The island is a perfect weekend getaway, with the rally acting as perfect introduction to the island for those whom have not had a chance to see it with their own eyes. Save the date!

**BOATERS' CHRISTMAS PARTY,  
DECEMBER 15, WEDNESDAY**

Join us on the north lawn for the annual Christmas Boaters' party, a chance to mingle and meet your fellow boaters, and scheme and plot the cruising and events calendar for 2011!

**POST RALLY WRITE UP: YAS ISLAND - OCTOBER 15 & 16**

Arriving at the spectacular Yas Marina mid-afternoon to the sound of the Radical two man racing cars flying around the Yas Marina Circuit certainly made an arrival impression on the eleven yachts and their crews! The three and a half hour journey to Yas Island had passed quickly, with a moderate swell at sea keeping things lively and interesting, plenty of banter back and forth on channel 88, and a mid-sea swim 'n' bite stop to break up the trip. Warmly welcomed by the Yas Marina crew, our yachts formed a handsome line-up under the eve of the Yas Hotel, with our sun-kissed rally participants checking into their respective hotel rooms to freshen up for the sunset cocktail engagement by the rooftop pool. What was meant to be a one hour welcome cocktail soon stretched into late evening, with kids and adults alike enjoying the company of fellow boaters and the superb hospitality of the Yas Hotel team.

ext morning's activities found some enjoying complimentary par-three golf (courtesy of Yas Links Golf Course), and a large group electing to take a tour of the Yas Marina Circuit, which will very shortly be hosting the Abu Dhabi Formula 1. A special visit to the Circuit's racing school with its Aston Martin GT4s and Radical racing cars was certainly a highlight.
